DEPARTMENT 10 - YOUTH MARKET SWINE

SECTION 1

Harry Chestnut, Superintendent

1. Youth must have their project animal(s) tagged and in their possession and Youth Tag Forms must be completed, and turned into the Fair Office by July 15th or on the Monday after if the 15th falls on a weekend. Youth may tag up to 4 animals but bring only two to the fair. The member must be the owner of the project animal(s).

Family tagging - the tag sheets are set up so that all youth in the same immediate family are linked to all animals of that species in that family. (Example: A family has 3 youth enrolled in the Youth Market Swine project. Since every youth can tag 4, the family can have a maximum of 12 market swine tagged, giving each of the 3 youth the option of showing any two of those 12.) There will be an area to check if the family is entering swine carcass. If that is checked, any one of the animals can come to carcass and any two of them can come to the fair for any of the youth in the family.

2. When swine come onto the scale the tags **MUST BE CLEAN AND LEGIBLE**. Market swine may be either gilts or barrows.

3. The number of pens required for your entries must be listed on your club entry form. NO PEN COUNT - NO ENTRY!!!

4. To show in purebred classes, pigs must be registered in the youth's name and show papers at weigh in. Ear notches must match papers. Youth must declare at weigh in if they are showing as a breed or crossbred.

5. 1st place gilt or barrows from breed classes will compete with cross gilt and barrow division winners in champion gilt or barrow class respectively.

6. Limit of 2 pigs per exhibitor.
