PORK CHOP REVUE

One of the most inventive and swine-able shows for the last 50 plus years! We know that like us... That swine grows into flavor...just like a fine whine!

An awesome display of some of the smartest swine in the country. These bodacious barnyard buddies present a show featuring amazing stunts and laughable antics.

You will laugh as you watch these bundles of bacon jump hurdles, waltz and even sing! But these pigs don't race, they're too smart for that.

Great Family Show with a strong family tradition!
